

Scholarship Program

The purpose of the Ohio Chapter ISA Scholarship Program is to promote professional arboriculture within the state of Ohio. The goal is to assist individuals with the financial responsibility of professional arboricultural development through higher education in the field or via a professional industry organization such as the International Society of Arboriculture.

Scholarship Program Application Deadline: August 31, 2020

Scholarship Option I – ISA Certified Arborist® Scholarship \$835 Value

4 Scholarships Available

Successful Recipient Receives

1. One-year membership to the International Society of Arboriculture (ISA) (Value \$135)
2. One-year membership to the Ohio Chapter ISA (Value \$45)
3. ISA Arborists' Study Guide (Value \$85)
4. Reserved seat to an Ohio Chapter sponsored certification preparation or review class (Value \$175)
5. Registration to Certification Examination (Value \$170)
6. Check for \$225 to assist in paying for the certification exam through the ISA, travel expenses, and any other study materials or expenses as deemed appropriate by recipient.

Applicants will be judged on their ability to meet the eligibility requirements to apply for the ISA Certified Arborist exam as set forth by the ISA.

Eligibility Requirements

An **arborist** by definition is an individual who is trained in the art and science of planting, caring for, and maintaining individual trees. ISA certification is a non-governmental, voluntary process by which individuals can document their base of knowledge. It operates without mandate of law and is an internal, self-regulating device administered by the International Society of Arboriculture. Certification provides a measurable assessment of an individual's knowledge and competence required to provide proper tree care.

The ISA Certification Board requires a candidate to have a **minimum of three years of full-time arboriculture experience**. Acceptable experience includes the practical use of knowledge involved in pruning, fertilization, installation and establishment, diagnosis and treatment of tree problems, cabling and bracing, climbing or other services that directly relate to arboriculture. Examples include **but are not limited to:**

- Tree care companies
- Nurseries
- Landscape companies
- Municipalities
- State forestry agencies
- Utility companies
- Academic arboriculture/horticulture department instructors
- Horticulture/extension program advisors
- Consultancies
- Pest control provider advisory and applicator

Eligibility requirement may also be met by utilizing a combination of education and practical arboricultural experience through one of the following options: two-year associate degree with a minimum of two courses directly related to arboriculture plus two years of practical full-time experience in arboriculture or four-year bachelor degree with a minimum of four courses directly related to arboriculture plus one year of practical full-time experience in arboriculture. Certification is not a measure of standards of practice. Certification can attest to the tree knowledge of an individual but cannot guarantee or ensure quality performance. Certified arborists are individuals who have achieved a level of knowledge in the art and science of tree care through experience, passing a comprehensive examination developed by some of the nation's leading industry experts on tree care.

Scholarship Requirements

1. Applicant (regardless of passing the exam or not), will be required to provide the Ohio Chapter ISA 10 hours of volunteer time within one year of receiving the scholarship. This requirement may be fulfilled by volunteering at the Ohio Tree Care Conference, educational programs, public outreach opportunities such as libraries or other non-profit venues to distribute Ohio Chapter literature.
2. Certified arborists must also continue their education to maintain their certification and remain up to date on current techniques in arboriculture. To maintain certification, certified arborists must obtain 30 ISA Continuing Education Units (CEUs) within a three-year period.
3. Applicant must work or provide service in Ohio and exhibit a demonstrated interest in arboriculture.
4. Scholarship recipients must attend an Ohio Chapter certified arborist preparation or review course to prepare for the ISA arborist certification examination. Scholarship may be revoked from individuals that do not attend the mandatory training sessions or fail to sit for the examination within one year of award.
5. Applicant must submit 3 letters of recommendation from arboriculture/horticulture professionals; at least 1 of these must include a letter of recommendation from an ISA Certified Arborist professional.
6. Applicant must sit for the ISA exam within one year of receiving the award.

Scholarship Option II – Professional Development Scholarship \$500

2 Scholarships Available

Successful Recipients Receive

1. Check for \$500 to cover appropriate study materials, exam fees, and travel necessary to obtain credential.
 - Testing deadline is within one year from receipt of scholarship and is the responsibility of the recipient to schedule. Recipients must submit testing documentation to Ohio Chapter ISA.

Scholarship Requirements

1. Applicant must be a current ISA Certified Arborist seeking professional development in one of the other ISA certification areas, including Aerial Lift Specialist, Climber Specialist, Municipal Specialist, Tree Worker Specialist, Utility Specialist, Board Certified Masters Arborist or Tree Risk Assessment Qualifications or Renewal (TRAQ); or for other industry qualifications such as Tree & Plant Appraisal Qualification (TPAQ), CTSP, or other industry qualifications/credential. Recipients who are seeking certification or qualification other than from ISA, will be required to submit copy of course completion, payment receipt, and may be reimbursed for \$500 or the actual enrollment fee if less than \$500.
2. Applicant must also hold current membership in the Ohio Chapter ISA.
3. Applicant must submit 3 letters of recommendation from arboriculture/horticulture professionals; at least 1 of these must include a letter of recommendation from an ISA Certified Arborist professional.
4. Applicant is strongly encouraged to volunteer on an Ohio Chapter committee within one year of receiving the scholarship.

Scholarship Option III – Traditional Student Scholarship \$1,000 Value

This category co-sponsored by [Ahlum & Arbor Tree Preservation](#).

3 Scholarships Available

Successful Recipients Receive

1. \$1,000 check disbursed to the academic institution where enrolled.
2. Complimentary student membership in the ISA and the Ohio Chapter for 12 months.

Scholarship Requirements

1. Applicant must be an Ohio resident, currently enrolled in a 2-year or 4-year accredited post secondary arboriculture, horticulture, urban forestry, or related degree program. Proof of enrollment must be submitted, i.e. course schedule or transcript from the institution.
2. Applicant must submit with the application 3 letters of recommendation: 1 from an academic advisor, 1 from a current or previous professor, and 1 from another instructor or industry professional.
3. Applicant must submit a personal statement as to why he/she feels they are a good candidate for the scholarship.
4. Applicant must maintain a minimum 2.5 GPA.

Application Instructions

Review Process

- Applications lacking **ALL** eligibility requirements will not be accepted for consideration.
- Submission of all required documentation is the responsibility of the scholarship recipient.
- Applicants who have not previously been awarded a Chapter scholarship will receive priority consideration over previous recipients.

Applications must be postmarked on or before August 31 for consideration.

Applications and required materials are the responsibility of the applicant.

Recipients will be notified by mail by September 30 and announced in

The Buckeye Arborist publication of the Ohio Chapter ISA.

Accepted applicants will be required to submit a photo for publication purposes.

Questions may be submitted to info@ohiochapterisa.org. No phone calls please.

Submit completed application(s) and documentation to:

Ohio Chapter ISA, PO Box 267, Baltimore, OH 43105-9998 or info@OhioChapterISA.org
