

# 3rd Annual Tree Survival School

Thursday, October 21<sup>st</sup> 2021

10:00am - 3:30pm

Little Hocking Riverfront Park

**Baker Road one mile north of Rt. 7 on State Route 555, Little Hocking, Ohio**

If you purchase, plant or care for trees, Tree Survival School is for you. Participants will gain knowledge and *hands on experience* in how to grow a tree for the long term. The course is divided between classroom and hands-on outdoor learning experiences. Landscapers, arborists, tree commission members, cemetery workers, professional groundskeepers, school groundskeepers, and homeowners will find this workshop beneficial and worthwhile. Please dress for the weather and bring gloves.

**Cost is \$35 which includes snacks, lunch, and educational handouts**

**10:00 - 11:00: 101 Ways to Kill a Tree - Ed Brown, OSU Extension**

**11:00 - 12:00 Managing Wildlife and Deer in the Landscape - Marne Titchenell, OSU Extension**

**12:00 - 12:30 LUNCH**

**12:30 - 3:30 Hands-on Demonstration and Educational Stations**

- **Station 1: Mulching Trees Dos and Don'ts - Hannah Swope, Washington County SWCD**
- **Station 2: How to Make Tree Cages - Marcus McCartney, OSU Extension**
- **Station 3: Proper Tree Planting - Ann Bonner, ODNR**
- **Station 4: Birds of Belpre Township - Mike Wren, Athens Bird Club**

**ISA CEUs will be awarded**

**For more information contact: Ann Bonner at 740-589-9910 or Marcus McCartney 740-376-7431**
